Hey Families,

Notices will go home this week about information on **Parent-Teacher meetings**. We are using an on-line portal to schedule our meetings again this year. However, we are trying a new service provider. If you need any assistance, please call the main office line.

We are in the early **winter weather** phase with cold weather, and warmer wet weather. The forecast is looking like wet and warmer weather. A change of clothes is important for all students just in case they get wet or muddy.

Please start putting aside items for our **Santa Gift-Mart**. We collect new or gently used items that we sell just before Christmas so students buy gifts for family members. It is always fun to see what children will pick for family members. We will be collecting items starting in December. More info to come.

We had a great turn out for our showing of **The Incredibles 2**. We are looking to book a holiday movie night- if you have any suggestions please email gbes@hrce.ca with suggestions subject: holiday movie

Government has launched a survey to hear from parents and guardians of students about their experience with the public school bus system. A copy of the survey is available at: <https://www.ednet.ns.ca/bussurvey>

Family Picture: We are still looking for family pictures. Send one in or email me a picture at jfry@hrce.ca
